Another trick or a hundred dollars to a charitable institution in Richmond—which?

Under date of May 10th The Meyer's Store, "Everything for Everybody"—tricks included—in their advertisement make the assertion and an offer of "\$100 to any charitable institution in Richmond for proof of the fact that a single thousand dollars' worth of goods from the sale of James Elliott & Co.'s stock were received in Richmond before Sunday, May 7th."

As Sunday lawfully begins after Saturday, 12 P. M. The Meyer's Store proprietors know well enough that legally they cannot be made to pay the money; morally they owe the \$100, nevertheless, for the following reason: Their assertion clearly means to convey to the public that the goods advertised by us in Sunday's Dispatch were not in our possession for the sale as advertised for Monday.

The following statements from the teamster and our own employees who opened the goods must settle the facts that the goods were in our possession as stated in our advertisement:

RICHMOND, VA., May 10, 1899.
 I hereby certify that our teams hauled to The Cohen Company's store on Monday morning from the Richmond, Fredericksburg and Potomac railroad depot, coming from New York on freight train arriving in Richmond on Sunday, May 7th, one hundred and eighteen packages of merchandise.

THOS. R. THOMPSON.
 By F. E. Phillips.

THE COHEN COMPANY.
 RICHMOND, VA., May 10, 1899.
 This is to certify that the damaged goods of James Elliott & Co., bought at auction, through I. Cohen & Son, New York, for the underwriters, were in our possession to the amount of over One Thousand Dollars (\$1,000) early Monday morning.

LEWIS W. MEADER.
 WILLIAM JACKSON.
 Subscribed and sworn to before me this 10th day of May, 1899.

ON THE APPOMATTOX.

THE Y. M. C. A. TO HAVE A GYMNASIUM.

IS IN VERY GOOD CONDITION.

Announcement of an Approaching Marriage—Electric Railway Extension Proposition—Run Away from Home—Personal and General.

PETERSBURG, VA., May 10.—(Special.) The Young Men's Christian Association will soon have a fine gymnasium and bathing arrangements established in its building on Sycamore street, the cost of which is estimated at about \$1,000. The general secretary, Mr. C. E. Pleasant, has personally raised \$500 of this amount, and the remainder has been guaranteed by the Board of Directors. The association is now in better condition financially, and is doing more good than at any previous time in its history. Last year its debt was reduced over one-half.

Dr. and Mrs. J. W. Baird, of Surry county, have issued invitations to the marriage of their daughter, Miss Mary S. Baird, to Mr. Wesley A. Ramey, of this city. The marriage is to take place at the residence of the bride's parents, in Surry county, May 17th, at 4 o'clock P. M.

At the meeting of the Street Committee last evening application was made by the Electric Railway Company for permission to lay a double track on Wythe street, as far as Lieutenant Run. This is on the line to Blandford Cemetery. It is understood the committee favors the application, and will prepare an ordinance to be submitted to the Council granting the privilege.

A telegram was received by the Chief of Police from Baltimore to-day, announcing the arrest in that city of a runaway boy named Charles Munson, who claims Petersburg as his home. The youth is about 19 years old, and his parents live here. He seems to be of a very roving disposition, and it is said, has run away from home several times before. He will be brought back.

Master Walter Brunet, son of Mr. R. E. Brunet, fell from the porch of his father's residence, on Harrison street, yesterday afternoon and fractured his left arm in two places.

The A. P. Hill Camp, Confederate Veterans, camped with them to Charleston last night two flags, the staffs of which were cut from the Crater, and which on this account will have historic interest. It is intended to present these flags—one each to distinguished ex-Confederate officers, during the reunion. Captain P. C. Hoy, of the camp, also carried with him five beautiful canes, also cut from along the tunnel leading to the famous Crater, which he will present to friends.

Mr. Peter Prout, of Baltimore, representing a wholesale metal-house in that city, was here yesterday, with the view of buying all the old cars, rails, trolleys, &c., of our street railway, as soon as the present trucks are removed. It is said they are wanted for the building and equipment of a short line at some other point.

SINGULAR DEATH.
A Child Drowned in a Tub of Water.

WINCHESTER, VA., May 10.—(Special.) Charles Ernest Aulick, the 3-year-old son of Mr. C. E. Aulick, a leading citizen, was accidentally drowned to-day in a tub of water on his father's lawn, and within a few feet of the street, where many persons were passing. The little fellow had strayed to the fatal spot unknown to the mother, who within a minute missed him. The child had evidently lost his balance and fallen into the tub, in which were only seven inches of water. When found, some minutes later, he was dead.
